

Poster printing and mounting service

My name is (Dr) A(njo) Elgersma. After a university career, I work as a self-employed independent scientist and started an enterprise 'Anjo Elgersma' (SME) that offers labour and services, e.g. scientific input for collaborative research and writing of publications, lectures, consultancies, editing, organisational assistance, etcetera.

Professional poster service for ISC in Bonn

As a commercial service for the XVIII International Silage Conference 2018 meeting I can offer help to authors of posters in:

- **editorial check of draft version** (typography, style, contents) is included in the service
- **printing of your poster A0** (84 x 119 cm, full-colour satinated 150 g paper) **and delivery to the conference site: € 45,-**
your benefits: no need to bring it yourself, no risk of forgetting or losing it, no damage risk during travel, no luggage fee on the flight
- **putting up your poster to the appropriate poster board: €5,-**
your benefit: poster will be displayed on time, even if you are delayed
- **home delivery of your poster by post after the meeting: €20,-**
your benefits: no fuss in taking down your poster, no risk of damage or loss during travel, no luggage fee on the flight; your poster will continue to be on display even if you leave before the end of the conference

How to order?

If this quotation is of interest to you, please contact me at EGFposterservice@gmail.com and indicate:

- the desired service(s),
- your name and address,
- the VAT/GST registration number of your institute, if applicable,
- a pdf file of your poster

I will then send a tailor-made offer and draft invoice for your information and approval of your administration. In view of smooth processing, **please contact me a.s.a.p.** as your pdf file should be received by **18 July 9:00 h.**

An early bird discount of €5,- is offered on the printing & mounting package until 13 July 17:00 h. Last-minute services are possible at a higher rate: for satinated posters the ultimate date is 19 July 9:00 h (€ 55,-) and unsatinated posters can be delivered when received ultimately 23 July 12:30 h (€ 65,-).

History of the posterservice

The posterservice has been successfully offered since 2015 to a range of meetings such as the European Grassland Federation (Wageningen, 2015; Trondheim, 2016; Sardinia, 2017, Cork, 2018), the Int. Conf. on Animal Welfare, WAFL (Wageningen, 2017), AgEng (Wageningen, 2018) and EAAP (Belfast, 2016; Tallinn, 2017) and will be offered at EAAP2018 (Dubrovnik) and ISNH2018 (Clermont-Ferrand). Testimonials can be provided upon request.
